

### Who This Program is For:

Averett's M.Ed. in Curriculum and Instruction is designed for the experienced classroom teacher who wants to strengthen their understanding of the teaching and learning process.

### What You'll Learn:

The mission of Averett University is to prepare students to serve and lead as catalysts for positive change. Through coursework which examines critical issues impacting today's educators, our program provides theoretical and practical experiences for teachers who wish to become leaders in their profession.

### How You Learn:

The M.Ed. Curriculum & Instruction is presented online over 20 months in an accelerated format. You'll take classes one at a time in 8 week blocks to allow intense study of each concept.

### Career Outcomes

Educators who obtain a degree in Curriculum & Instruction may become instructional coaches, curriculum designers or specialists.

### Please Note

- This program does not lead to teacher licensure in the state of Virginia.
- Program and course requirements are subject to change
- Students must have at least one year of experience as a classroom teacher, and must be able to provide evidence they hold a VA Collegiate Professional teacher license.
